The Golf Shop & Golf Course

Famed golf course architect, Ellis Maples, designed our current layout in 1947, while working as Golf Course Professional and General Manager. The Club was founded in 1920 and records indicated there were only nine holes with sand greens, however, there are no records of the original architect. Architect Bob Moore and golf course superintendent Todd Holt oversaw the recent golf course renovation during the summer of 2017.

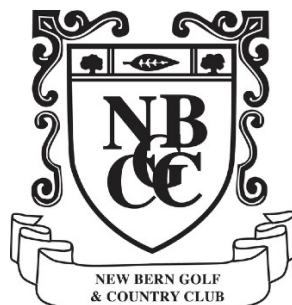

The golf course measures 6,200 yards from the back tees, with Champion G12 Bermuda greens and Celebration Bermuda collars, approaches and tee boxes.

The Golf Professional Staff is headed by Director of Golf Operations, Alan Ferebee. Bryce Young is the Head Golf Professional. The Pro Shop and course are open year round with the exception of Mondays. The golf staff runs numerous tournaments throughout the year, ranging from Member-Guest to Couples Twilight events. Golf lessons and clinics run throughout the year with three great sports camps for kids during the summer months. The Golf Shop is completely stocked with the latest in apparel and equipment.

Pool & Fitness

The fitness center at New Bern Golf & Country Club is equipped with the latest physical and cardio equipment. Equipment ranges from free weights to elliptical machines and tread mills to leg press machines and row machines.

The swimming pool, open during the summer season, is extremely popular. The first fifteen minutes of every hour is reserved for adults only swim. We have three lifeguards on duty at all times, which oversee and protect all swimmers. Private and group swim lessons are also available before pool hours. New Bern Golf and Country Club also has a very competitive swim team that competes with other clubs and organizations in the area.

For you paddle boarders, we have added a new paddle board step down and offer paddle board storage.
